

The International Institute
of
Written Oxford English

Q Business Online

Q Business Online is designed for business people that need English to succeed in the corporate world. **For intermediate to advanced level students.** This program correlates with international standards (CEF – B2-C1).

Q Business Online features an ongoing video story about a real-life business scenario, audio clips, business articles, and corporate case studies.

By the end of the course, you will know how to deal with many business situations in English – such as talking to clients and partners, working in teams, solving business problems, and much more!!

This course is fully online – so you can study anytime, anywhere!!

Speaking Lab

Practice speaking English at our **Speaking Lab!** Compare your speech against that of a native speaker – and receive instant graphical and written feedback.

Certification

All students that successfully complete the course and pass the test will receive **qualification certificates**.

Special Features Include:

- ✓ Approximately **90 hours** of online learning
- ✓ An ongoing **video story, case studies**, lessons, and activities.
- ✓ **Interactive lessons** based on everyday business situations.
- ✓ Exercises on **all English skills** (reading, writing, speaking, and listening).
- ✓ User-friendly online tools – including help files, tool tips, a **Lexicon**, and **Grammar Book**.
- ✓ Immediate online **feedback**.
- ✓ Lessons for students at **intermediate to advanced levels**.
- ✓ Preparation for Business English tests like the **Cambridge BEC Vantage-level exam**.
