

The International Institute
of
Written Oxford English

Q Business Traveller

Q Business Traveller is ideal for individuals that need a basic level of English for international business trips and vacations. **For basic to intermediate level students.** This program correlates with international standards (CEF – B2).

Suitable for learners with a basic understanding of English, **Q Business Traveller** teaches students all the English that they need to work and travel abroad!

Students learn by listening to native English speakers, watching videos of everyday business situations, reading business related texts, and speaking English at our innovative Speaking Lab.

Q Business Traveller is fully online - so you can study anytime, anywhere!

Speaking Lab

Practice speaking English at our **Speaking Lab**! Compare your speech against that of a native speaker – and receive instant graphical and written feedback.

Certification

All students that successfully complete the course and pass the test will receive **qualification certificates**.

Other Special Features Include:

- ✓ **60 hours** of study based on **16 authentic business** and travel situations.
- ✓ Lessons to develop **all skills** (reading, speaking, listening, and writing activities).
- ✓ A **Lexicon** of new words and phrases, with explanations and examples.
- ✓ Lessons on both the **British** and **American** versions of spelling and pronunciation.
- ✓ A **Phrase Book** of important and common phrases used by business travelers.
- ✓ **Online tests** and instant feedback.
